

FAA Ramp Checks: What You Need to Know

You just landed, taxied to parking and shut down the engine. Someone walks up and says "Hello, My name is Inspector Jones with the local Flight Standards District Office and I would like to have a conversation with you." What is this about? Why me? Jeff Ebey, Aviation Safety Inspector with the San Jose FSDO will present this informative and entertaining seminar to explain the Ramp Check process and what you can expect as a pilot if you ever experience one.

Directions: Located in the Skyway Building, next to the Hiller Aviation Museum. Parking and entrance behind building. Suite 215 is upstairs in the northwest corner.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
